

## IAA PAYMENT OPTIONS

Due to the increasing risk of exposure to cheque payments that can be returned (subsequent to our release of purchased goods) for reasons of Insufficient Funds or Stop Payments, plus our inability to monitor these deposited payments against Impact approved credit terms, we have elected to stop authorizing our banker to accept third party deposits.

**Effective immediately, cheques and cash are not to be deposited directly into our account at a Bank of Montreal branch.**

The following are acceptable methods of payment:

<b>In Person</b>	Visit us at any Impact Branch and present your cheque or bank draft. If paying for multiple Stock #'s, please ensure the branch is informed which auction and which Stock #'s are being paid for. Once the branch confirms the payment is within the payment terms extended by Impact, the vehicles will be released for immediate pickup.
<b>Mail</b>	Make cheque or bank draft payable to "Impact Auto Auctions Ltd" and mail, courier or priority post (See link to Canada Post for their "Ship in a Click" feature at <a href="http://www.canadapost.ca/personal/tools/cst/intro-e.asp">http://www.canadapost.ca/personal/tools/cst/intro-e.asp</a> to your nearest Impact branch. If paying for multiple Stock #'s, please ensure the branch is informed which auction and which Stock #'s are being paid for. Once the branch receives payment (confirmation of delivery can be tracked online for some couriers and Canada Post) and confirms the payment in within the payment terms extended by Impact, the vehicles will be released for immediate pickup.
<b>Wire Transfer/ EFT</b>	<p>Payments (CAD \$) from Canadian Financial Institutions and Banks worldwide may be sent directly to Impact Auto Auctions Ltd.
